

# Abhi Kasanagottu

## Project Analyst/Business Administration Support

Hardworking and passionate learner with strong organizational skills.

### Projects

**About Me Website** - Building a personal website using HTML/CSS with an interactive scrapbook to be published on Github.

**Battleship** - Developed an interactive strategy guessing game, using Java, that is played on a ruled gride where two player's fleets of ships are concealed from each other and to be marked.

**FortuneTeller** - Developed an interactive panel of 3 options for fortune telling, using Java, with respective outputs: magic eightball, crystal ball, and fortune cookie.

### Work History

2020-03 -  
Current

#### Project Analyst/Business Admin Support

*Fannie Mae, Washington, DC*

- Managed calendars of VP/EVP of Single Family (SF) Business - travel, virtual events, expense reporting, budgetary reports.
- Spearheaded 6-mos. internship with Year Up Org to provide underserved young adults with corporate experience: Surpassed 2022 goal - reached 170% rate of intern participation.
- Implemented weekly dashboard view for internship partners, managed all internship communications, created curriculum (45 trainings), held meetings with partners to solicit feedback, pushed surveys to interns and managers for feedback to continuously improve.
- Reinforced Diversity, Equity, and Inclusion (DEI) initiatives through Appraiser Diversity Initiative Program (ADI) to create monthly view of survey results.
- Optimized standard works for processes in SF Business Office.
- Streamlined ongoing projects, prioritizing shorter turnaround times and consistent development quality.
